Hunmanby CCTV

Plans are going forward for SBC CCTV in the village. Proposed cameras will be located at Cross Hill and outside the COOP on Bridlington Street. These will provide good coverage of Bridlington Street / Cross Hill / Church / Bailey Gardens / Hungate Lane / towards Castle Hill.

Information has recently been received by the police relating to the police not supporting the application for these cameras. This however is a misunderstanding as the police fully support this application. A bid for funding has been made by HPC to The Police and Crime Commisioners fund which was rejected. The reason for this being the fund does not accept applications for CCTV across the whole of the county as cameras are not part of their funding criteria.
