November 2020

There were 72 incidents reported in your area during November.

03/11/2020 00:17 – A vehicle was stopped by Officer on patrol on A165 near to Primrose Valley, the driver provided a road side breath test reading of almost 5 times the legal limit. They were later charged with drink driving and have made an initial appearance at court where they received an interim disqualification. This is a course of action that the court can take when the level or risk is so high that a speedier disqualification is needed before the case can be dealt with at court and is primarily to protect other members of the public.

13/11/2020 17:06 – Between 09:50 and 10:20, the victim reports that damage was caused to the lock on their car whilst it was parked on Reighton Sands in what appeared to be an attempt to gain entry. There were no similar report in the area during the preceding or subsequent days.

26/11/2020 13:14 – A van rolled into a ditch on the A165 near to the Muston turn off. No injuries were reported by the driver and no assistance was needed from the Police.

27/11/2020 07:37 – A two vehicle RTC between a tractor and a car occurred outside Speeton Manor Farm. One driver suffered minor injuries. Officers attended to assist with traffic control and clear debris in the road.

06/11/2020 22:49 – A vehicle collided with the grass verge on White Gate Hill in Folkton, Officers attended to assist the driver due to the time of night and the collision being on a national speed limit road. No injuries were reported by the driver.

29/11/2020 11:43 – A known criminal from out of our area was spotted by a PCSO on A165 heading from Bridlington towards Scarborough, they had current bail conditions not to enter North Yorkshire and were also wanted for a number of offences ranging from thefts to drug offences, some of these offences were committed in Filey. The PCSO circulated the persons details over the radio and the person along with a passenger in the vehicle were arrested by Officers in Scarborough about 15 minutes later. They were charged with numerous offences and remanded to court the next day.

7 violence crimes were reported in your area during November. None of them resulted in significant injury and there is no risk to the wider public in any of them.

We received nine reports of concern for safety of individuals in your ward area during November. These incidents invariably relate to people in distress. We

work closely with the Street Triage Mental Health Team at Cross Lane who carry Police radios with them, we also have support from Mental Health professionals who work in our control room. This is sadly becoming an increasing trend but we always ensure the people receive the best help available at the time and refer them to other agencies. If necessary, they are referred into the weekly meeting we have with other agencies from around the Borough where we can discuss courses of action to provide best support.

A number of covid-19 tickets issued during the 1st lockdown were unpaid, these are now beginning to appear at court. During November, 9 people have appeared at court and received fines totalling £7,204. If these tickets were payed within the initial period the total cost would have been £270. All these individuals reside in the Filey SNA Policing area.

Other News

Please note that in addition to the traditional 999 or 101 we can be contacted on our email address is snafiley@northyorkshire.pnn.police.uk. Please do not report incidents to this email, but if you would like to speak to a member of our team for advice then please use it.

If an incident of Anti-Social Behaviour occurs which you would like Police to deal with then please report this as soon as possible after the event to allow Officers the best chance to deal with the culprits. Please do not wait until next time you happen to bump into an Officer or Parish Councillor. It allows us to make connections with other incidents and deal with individuals for patterns of behaviour rather than incidents in isolation. It does not matter if no suspects have been seen or cannot be identified; we may have this reported on another nearby incident and be able to link them.

Operation Cracker

You may have heard about Operation Cracker in the past as it was first launched in 2018 to raise awareness to elderly and vulnerable residents the benefits of taking some simple security measures to protect themselves in their own homes; this was all done under the watchful eye of Anthony Baldwin who is the Volunteer Lead for Operation Cracker and it was originally launched in the Eastfield area of Scarborough with roadshows held in the Town Centre and throughout the Scarborough

District.

Recently, Tony and Mat Hazelwood contacted Trish Colling to gauge her interest in becoming involved with a Rural version of Operation Cracker and the answer was “yes please”.

The Operation works in Partnership with Organisations including –

- North Yorkshire Police
- Fire & Rescue Service
- Age Concern UK
- Beyond Housing
- McCain Foods

the list of participating Partners is growing daily. Rural Op Cracker will for this year be run in Seamer (Flower Court and The Grove) and Glaves Close in East Ayton with a roadshow being held at Irton Garden Centre and Deans Garden Centre to raise awareness to crime prevention; to carry out “door knocks” on the elderly to offer crime prevention advice, carry out a welfare check, ensure that shopping is not needed and if need be, to signpost other Agencies to intervene should the need arise. For next year, it is the intention to attend local Fayres / Fetes and Fairs and Trish is willing to attend any meeting to help spread the word of Operation Cracker – just send her an invite via nvillagescap@gmail.com

Please look out for the mobile Police Office on the run up to Christmas at venues within the Seamer/Crossgates/Irton and East Ayton areas – pop along to engage with those who are managing the stand (keeping socially distanced at all times) and if you know of someone who would benefit from a visit via Operation Cracker please feel free to pass on their details to anyone in attendance on the stand (s).

Some Seasonal Advice

It is so easy to get complacent in these trying times of isolation and dark nights, but please remember to keep doors and windows locked – despite COVID-19 travel restrictions this isn't going to deter a thief if they think they might get their hands on any Internet-bought Christmas presents!!

If you are buying new TV/Laptop/iPad/Mobile, dispose of the packaging wisely, don't “advertise” what you have bought by leaving the boxes in plain sight – tear them up and put in your recycle bin

Remember – Op Cracker is not just for Christmas, it is all-year-round. Thank you
