18/03/2023 15:31 – A cyclist was forced onto the grass verge by a passing motorcycle causing the push bike to flip over and cause slight injury to the rider. Both people spoke with an unidentified foreign accent and stated the same story, that the residents account had transactions of £300 and £1,100 about to go through and they need to stop them urgently. When the resident informed the scammer they only had £200 in their account, they became disinterested and hung up. The resident notified their bank, no money was stolen. An internet search of both these numbers shows they are connected to scams.

If you are aware of any meetings taking place which you think suitable, please let us know Dates and Place and Times and we will endeavour to get to some of them. Please email [matthew.hazelwood@northyorkshire.police.uk](mailto:matthew.hazelwood@northyorkshire.police.uk) if you would like more information or to book the volunteers.

**Other News**

Please note that in addition to the traditional 999 or 101 we can be contacted on our email address is [snafiley@northyorkshire.pnn.police.uk](mailto:snafiley@northyorkshire.pnn.police.uk). Please do not report incidents to this email, but if you would like to speak to a member of our team for advice then please use it. Incidents can also be reported direct on [www.northyorkshire.police.uk](http://www.northyorkshire.police.uk)

If an incident of Anti-Social Behaviour occurs which you would like Police to deal with then please report this as soon as possible after the event to allow Officers the best chance to deal with the culprits. Please do not wait until next time you happen to bump into an Officer or Parish Councillor. It allows us to make connections with other incidents and deal with individuals for patterns of behaviour rather than incidents in isolation. It does not matter if no suspects have been seen or cannot be identified; we may have this reported on another nearby incident and be able to link them.

# Community Safety Advice – April 2023

Following on from the March advice piece, thieves, poachers, burglars, scammers never stop – not even for lockdown - and the Rural Safer Neighbourhood Team and Off-road Motorbike team have been stepping up their great works within our areas. They have carried out regular patrols, responded to calls, also carried out patrols in the Wykeham forestry areas to deter off-road vehicles/cyclists/motorbikes, especially on weekends.

## Project Poacher

It is also up to us to do our own part by staying alert and keeping an eye out for anyone or anything suspicious and reporting incidents to 101 or 999; please do not share explicit information on social media as this could cause problems for any future prosecution and possibly get you into trouble for libel if what you post is found to be untrue!!

Poachers do not only take game and fish, they also destroy crops and farm property; as they are often armed, you are strongly advised not to approach any poachers but either report using the #ProjectPoacher app ([projectpoacher.com](http://projectpoacher.com)) which will talk you through how to report a crime and #What3Words ([what3words.com](http://what3words.com)) which is a great app; if you are not sure of your exact location and need to report an incident #What3Words is a great app to use!

## Scammers

And of-course there are the scammers/phishers/cat-fishers online also waiting to bait us with their wily websites, too-good-to-be-true deals or tax returns, those who are just waiting for the lost and lonely to be reeled in by either pretending to be someone they are not (catfishing) or by just taking advantage of those who are vulnerable and scamming them out of their hard-earned savings.

It is not an all-bad world out there though!

If we -

- are careful of what links we click on,
- double-check information that is supposed to be from everyday websites, they can be so deceiving – often the sites look genuine, but they could have been cloned, and
- ensure you do not give out personal information online or over the phone unless we are 100% certain that the source is trustworthy – the slightest doubt, break contact and double check.

then all these things can all go toward keeping you safe, both online and offline. **But it cannot be stressed enough – you MUST call the Police to report things, not putting things on social media. If you are unsure which number to call, ring 999 if something is happening and 101 if you are calling with information.**

If you wish to become a member of the Derwent & Hertford Rural WhatsApp Group, please contact PCSOs Lockey, Wilkinson or PC Bilton.

Until next time..... Stay Safe out there
