Other News

Please note that in addition to the traditional 999 or 101 we can be contacted on our email address is snafiley@northyorkshire.pnn.police.uk. Please do not report incidents to this email, but if you would like to speak to a member of our team for advice then please use it. Incidents can also be reported direct on www.northyorkshire.police.uk

If an incident of Anti-Social Behaviour occurs which you would like Police to deal with then please report this as soon as possible after the event to allow Officers the best chance to deal with the culprits. Please do not wait until next time you happen to bump into an Officer or Parish Councillor. It allows us to make connections with other incidents and deal with individuals for patterns of behaviour rather than incidents in isolation. It does not matter if no suspects have been seen or cannot be identified; we may have this reported on another nearby incident and be able to link them.

Community Safety Advice – June 2023

Summer's here!!

We are probably picnicking and barbecuing but do not forget to ensure your windows and doors are closed and firmly locked, especially if you are in the back garden/patio area as you won't see if anyone slides in to do a bit of "helping themselves" to your goodies! It is never easy, especially if we get a heatwave but trust me, it's safer to #KeepThemClosed to keep yourselves safe.

Summer Poaching

Poaching for deer, hare and other game may have slowed down (I say hopefully!), but there are other forms of poaching – of fish for example. River bailiffs do a fantastic job of ensuring the part of the waterways they care for are looked after, that banks are maintained, and they also check to see if anglers have a fishing license. If you are unsure where to get one from, pop along to your local Post Office and they should have one or alternatively, visit <https://www.gov.uk/fishing-licenses> and you will be able to double check just where and when you need a license. **You can be fined £2500 if you are fishing and cannot show a valid rod fishing license** so it is worth the fee to get one!

And if you are out and about picnicking, walking, hiking, or driving in the countryside and you see someone or anything suspicious, don't ignore it #ReportIt to 101 or 999. Police need #EyesandEars so if we all do our part, it means we are helping each other to stay safe.

If you are unsure of where you are and you do not have access to GPS, then use the #WhatThreeWords app (<https://what3words.com>) the area where I live is "sparrows.curcially.outnumber" – how do they know that we have an abundance of sparrows in the area 😊 It is a great little app so consider downloading it as it will help any of the Emergency Services reach you whether it be the Police, Fire and Rescue, Search and Rescue and the Breakdown Services.

Never get lost again

With the What3Words app, it's easy to find, share and save

If you wish to become a member of the Derwent & Hertford Rural WhatsApp Group to keep yourself and your area safe, please contact PCSOs Lockey or Wilkinson or PC Bilton on 101.

Until next time Stay Safe out there!
